

Announcement

This is for general information that BNCA will be conducting Universal Treatment Curriculum training on the following first two curricula in Thimphu from 5 to 14 November 2019. The UTC program has a total of 8 curricula all of which will have to be completed once registered:

- Curriculum 1: Physiology and Pharmacology for addiction professionals.
- Curriculum 2: Treatment for substance use disorders- Continuum of care for addiction professionals.

Training for this time will be conducted on a cost sharing basis whereby working lunch, refreshments and stationeries will be met by BNCA while the TADA will have to be borne by the respective nominating organizations.

The application will be reviewed by a selection team and preference for selection will be given to those individuals working in related fields of addiction programs. Further, candidates with relevant qualification and/or with experience in addiction counseling will be accorded preference.

The participants who are attending the training on their own will have to produce no objection letters from the Principals or the head of the organizations.

Interested applicants may contact the HRO Ms. Ugyen Zangmo at 335371 or @uzangmo@bnca.gov.bt
